No. RB/FOR.SR.3171. Enclo : Date : 21/9/1970.

Sir,

Subject: Release and disforestment of an area of 6 acres and 12 gunthas out of F.S.Nos. 106, 278, 93, 92, 87 and 86 of Kodibag village in Karwar Taluka for lay-out of plots for temporary re-settlement of local fishermen.

Ref :

In forwarding herewith the correspondence on the above subject ending with the endorsement No.FOP.GFL.SR.1488 of 70-71 dated 14-8-1970 from the conservator of Forests Kanara Circle, Dharwar, I write to state as under:-

2. In this case, the Deputy Commissioner, North Kanara has submitted proposals for release of an area of 6 Acres 12 gunthas out of F.S.Nos. 106, 278, 93, 92, 87 and 86 of Kodibag village as shown in the sketch on P. 7 of the accompanying file for disforestment and grant on temporary lease basis to the fishermen of Karwar beach for their resettlement. It will seen from the case papers that the local heads of the departments of Port, Fisheries and Forest, have no objection to the proposal. The Assistant Director of Town Planning Dandeli Region Karwar has however indicated in his letter No.ADTPF/LOP/KER/70-71/162-63 dated 25-5-1970, that the lay-out plan prepared by him in the said S.Nos. is not acceptable to the Director of Town Planning, Bangalore as it would be in conflict with the observations of the Governor of Mysore, conveyed during his visit to Karwar on 24-2-1970. From the position explained by the Deputy Commissioner, in the penultimate para of his letter No. LND.II.I-SR-1674 dated 15-7-1970 (enclosed) it would be clear that the said observations of the Governor of Mysore are not applicable to the areas involved in the proposals, in that they lie to the North of the Port, and not to the south of Karwar port.(i.e. between the Karwar-port and Binaga village). In view of this and in view of the opinion express by the different local heads of other departments concerned with the proposal, I find that the Deputy Commissioner's present proposal for release of 6 Acres 12 Gunthas out of the F.S.Nos. detailed above, could be accepted and the area leased out temporarily for the resettlement of the fishermen's families who have unauthorisedly set up their dwelling huts on the sea beach of Karwar and are residing there now. Under Rule 15(3) of the Mysore Land Grant Rules 1969, the Deputy Commissioner, has powers to make leases annually renewable, of land near the sea-coast within one furlong of the high-water mark of the sea, for erecting

temporary dwellings to fishermen. He may be instructed to order lease of the land keeping in view the provisions in sub-Rule 4(b) of Rule 19 of the Mysore Land Grant Rules 1969 and also of Rule 18(5) regarding the maximum size of the plot that may be leased to each family. Since the area is only proposed to be given out on lease the restriction contained in Rule 10(3) of the aforesaid is not applicable to the present proposal.

3. In view of the facts stated above I request that Government may be moved to release 6 Acres- 12 Gunthas out of F.S.Nos. 106, 278, 93, 92, 87 and 86 of Kodibag village for the resettlement of fishermen thereon, as proposed by the Deputy Commissioner, North Kanara.
